Dear 5th and 6th Grade Parents:

Coding Club is returning to Brass Castle! At club, your student will be learning the basics of programming and problem-solving logic. We will be utilizing Swift Playgrounds, a free iPad app that makes learning and experimenting with code interactive and fun. Students will learn concepts such as commands, debugging, functions, loops, algorithms, and more. This club will meet on Mondays from 3:25 – 4:25. Please note, spacing is limited and students will be chosen on a lottery basis.

Please be at Brass Castle by 4:25 to pick up your child after the meeting. Students with two late pickups may not be permitted to remain in the club.

Meeting dates: February 4, 11, 25, March 4, 11, 18, 25, April 1

Sincerely,

Mrs. Lisa Galoppo

Winter/Spring 2019
CODING CLUB PERMISSION SLIP
Mrs. Galoppo

I give permission for my son/daughter to participate in the after-school Coding Club on Mondays at Brass Castle School starting Monday, February 4th. The Coding Club will meet on February 4, 11, 25, March 4, 11, 18, 25, and April 1.

I understand that I need to pick-up my child at 4:25pm.
