or call (908) 245-1120**

The First Tee of Raritan Valley provides youth with educational programs that build character, instill life-enhanced values and promotes healthy choices through the game of golf. The Life Skills Experience is one of the unique features that separates The First Tee from many other junior golf programs. The First Tee Life Skills Curriculum is used to instill the values of the game of golf and show participants how these values transfer into other aspects of their lives.

*This activity is not sponsored by the Washington Township School District. This notice is provided for information purposes.
