Re: Winter Weather / School Calendar

Dear Parents & Guardians,

This has certainly been a challenging winter weather season. The unpredictable weather has caused us to utilize all five emergency weather days built into our 2018-19 school calendar. Please note, in the event we need to have another school closing before April 19, 2019, the District will be open for student instruction on April 25<sup>th</sup> and April 26<sup>th</sup> as make up weather emergency days. This notice is being sent in advance of any changes, to allow families to plan accordingly for Spring recess. If the District experiences several snow days, additional changes to the school calendar will need to be made. These changes may include further reduction of days from Spring recess and/or adding days to the end of the school year. We will keep families updated as school calendar changes are made.

Thank you for your patience and cooperation as we navigate through the winter season.

Sincerely,

Keith T. Neuhs  
Superintendent
