Summer 2016

Incoming First Grade Reading Projects

It's summer, but that doesn't mean you shouldn't enjoy a good book! Keep your brains alive, awake, and active this summer by signing up to complete our Summer Reading Program. Choose a book to read from the grade-appropriate list. Once you have finished the book, you need to complete one project from the list below to earn one Principal Credit. For example, if you complete ten books and projects, you will collect ten Principal Credits! When you come back to school in September, bring your Reading Projects with you to receive your credits to trade in for prizes! Make it your BEST work – you have all summer, so it should reflect your hardest effort and set the tone for the year!
