### **Why play 3 v 3?**

1. Excellent way to develop players' skills without all the congesting of a traditional 5 on 5 game.
2. Less people which means more touches and reps.
3. Basketball in its "truest" form; no junk defenses or full court presses or fast breaks.
4. Stresses the fundamentals of the game; give & go, pick & rolls, off the ball screening, man to man defensive principles.
5. Games are high scoring, exciting and different than a traditional 5 on 5 game.
