Dear Parents/Guardians:

Cartridges for Kids® is an environmentally-friendly program that pays cash to our Parent Teacher Association for recyclable items. Participation helps protect the environment by keeping electronics out of landfills, in addition, recycling helps to preserve our natural resources.

Over the past few years, many parents have donated inkjet and toner cartridges which in turn are submitted on behalf of our PTA. We would like to notify parents that this program has restructured with a defined list of accepted items . In an effort to keep this program profitable, please refer to the attached list of items (cell phones, PDAs, laser and inkjet cartridges, MP3s, video games/consoles, digital cameras, DVDs, GPS devices, and calculators are all accepted items).

If you have any questions about accepted items, please contact Kim Sigman at 908-689-1188 ext. 635.

Thank you for your continued support,

Washington Township PTA
