Dear Parents,

One of the top priorities of the new PTA board is improving communication with our parents and teachers. To help us achieve this goal, we will be sending you a new monthly newsletter via E-blast.

This newsletter is in addition to the PTA Facebook page and brand new website. If you haven't had the opportunity to visit the new website, take a look at it now. We've shared a screen shot below.

We have some exciting new events coming up this fall including the Fall Family Festival and the Wizards vs. Teachers game to be held in November. If you are interested in volunteering for these events or any committee, you can do so on the website as your schedule permits.

If you have any questions or suggestions for the PTA, please do not hesitate to contact us.

Two brothers, who make up the group Quiet Riot, use comedy, storytelling and student interaction to share their knowledge of conservation. They will incorporate fun and entertaining techniques about protecting the Earth.

Be sure to ask your children that evening about the assembly!
