

Memorial Day is celebrated in Washington Township Schools
Date: May 21, 2014

Each May, Memorial Day is celebrated to honor all veterans who gave their lives for our country, have retired from service, or are currently serving in the United States Armed Services. This year we would like to pay special tribute to remember the relatives and friends of our staff and students who have served this country.

Our Memorial Days programs will be held at

Brass Castle School Gym: 9:15 - 10:00 AM and or

Port Colden School front lawn: 2:00 P.M.

Memorial Day activities at both schools will offer student presentations, patriotic songs, and coffee and cake.

Students are encouraged to wear patriotic clothing to show spirit to our veterans.

If you know a veteran/service member that would like to participate on our special day of honor, please see the attached sheet for R.S.V.P. information.

It is our sincere hope that through celebrating our veterans, past and present, our students at Brass Castle and Port Colden will gain a strong appreciation and respect for these very special HEROES!

Thank you for your support!

Memorial Day Celebration R.S.V.P.
