Dear Parents/Guardians

WTYA Basketball will be accepting registrations online only this year at wtya.org. Early registration will be October 11th – October 25th.

In season registration will be online as well and the dates will be October 26th – November 8th.

There will be no more paper registrations that are mailed or handed in, all registrations must be completed online and we will not be accepting registrations at evaluations.

Thank You,

Victor Lea
