6th Grade Science Expo Night

Join us for a fun night of Science! We are inviting 4th, 5th, and 6th grade families to Brass Castle's Science Expo Night.

Our 6th grade scientists have been hard at work preparing for the night. You will have the opportunity to visit stations and complete various experiments, in addition to viewing the many projects and presentations our scientists have created.

Please note: Due to the nature of projects/experiments, we ask that attendees be limited to 4th-6th grade students. A parent must accompany the student. Thank you for your understanding!

The Expo will take place on **Wednesday, March 28, 2018 from 6-7 p.m.**

Please contact me with any questions.

Katie Penner at kpenner@washtwpsd.org

Please return by Friday, March 23, 2018
