

2018–2019 BUDGET

The school budget reflects our educational program in dollars. It is the basis for every phase of the district’s operation - personnel, curriculum, buildings, instructional materials, equipment, transportation, after-school activities, etc. We face the same challenges that school districts across the state face — a 2% cap, enrollment changes, increases in health insurance premiums, utilities, textbooks and supplies, unfunded state mandates, and facilities maintenance.

The budget was carefully scrutinized for efficiency and effectiveness. All expenditures, existing and new, were carefully considered and any possible savings were explored. Once the budget is approved by the county, on behalf of the state, and adopted by the Board of Education, the total dollar amount budgeted for the year is set.

With the current total assessed value of properties in Washington Township, the 2018-2019 budget will raise the tax levy by 1.64¢ per \$100 assessed value or about \$41 a year on the average Washington Township home.

The proposed 2018-2019 budget

- ★ Provides an exceptional instructional program for students.
- ★ Provides students with safe and secure facilities
- ★ Provides students with educational technology.
- ★ Provides professional development for staff
- ★ Provides students with opportunities to explore their talents and interests, including co-curricular activities.
- ★ Provides an educational program that is fiscally responsible to the taxpayers of Washington Township.

2018 — 2019 Budget Revenues

State Aid History / Summary

After the Board approved the tentative budget in March and it was sent to the county office for approval, the district received notification that we would receive an additional \$15,457 in Emergency Aid. This additional aid brings the total to \$2,638,245.

For more information on the state funding formula visit: <http://www.state.nj.us/education/stateaid/1819>

Through careful budgeting and planning, the District has been able to take a “pay as we go” approach to funding projects, equipment purchases and major maintenance concerns. Since 2006 the District has completed nearly 3.9 million dollars in capital improvements, maintenance projects and equipment purchases without taking on bond debt.

- ⇒ Capital projects — including new windows at BC, office at PC, roofing, fire alarm systems, security upgrades, etc.
- ⇒ Maintenance projects — including HVAC at BC & PC, paving, sidewalk repairs, asbestos removal, etc.
- ⇒ Major equipment purchases — including a tractor for PC, fob (key) system, phone system, computer servers, wireless access points, computers, classroom and library furniture, pick up truck, etc.)
