

Interdisciplinary Connections for SOCIAL STUDIES

Interdisciplinary Connections at Grade K:

- **L.A. leveled readers, biographies**
- **Math – graphs**
- **Science – weather**

Interdisciplinary Connections at Grade 1:

- **L.A. leveled readers, biographies, research skills**
- **Math – graphs, measurement**
- **Science - weather**

Interdisciplinary Connections at Grade 2:

- **L.A. leveled readers, biographies, research skills**
- **Math – graphs, measurement**

Interdisciplinary Connections at Grade 3:

- **L.A. - communities through time research project/interview**
- **Science – climate/ – regions of the USA**
- **Math – money and economies**

Interdisciplinary Connections at Grade 4:

- **L.A. - leveled readers, summarizing, research skills, Venn diagrams, biographies, poems, historical figures**
- **Science – Atlas – bodies of water, impact of natural resources**
- **Math – graphs, scale models, time lines, sequencing, calculating distance**
- **Health – effects of smoking tobacco**

Interdisciplinary Connections at Grade 5:

- **L.A. - leveled readers, summarizing, research skills, Venn diagrams, biographies, poems, historical figures**
- **Science – Atlas – bodies of water, impact of natural resources**
- **Math – graphs, scale models, time lines, sequencing, calculating distance**
- **Health – effects of smoking tobacco**

Interdisciplinary Connections at Grade 6:

- **L.A. - leveled readers, summarizing, research skills, Venn diagrams, biographies, poems, historical figures**
- **Science – Atlas – bodies of water, impact of natural resources**
- **Math – graphs, scale models, time lines, sequencing, calculating distance**
