CS@WH
CODING WITH KIDS

Elementary students will learn **Computer Science** from Warren Hills High School students.

Kids will have fun solving logic puzzles, playing with robots, and learning more about coding.

Also… parents have 3 hours to themselves. Shopping? Dinner? Movies?

WHO: 3rd - 6th graders
WHEN: Friday, December 14th, 5:30-8:30 p.m.
WHERE: Warren Hills High School cafeteria
COST: $20 - includes 3 hours of computing fun, a t-shirt, pizza, drinks, and dessert.

Register by December 7th
