June 2020

Dear Parents/Guardians of 2020-2021 6th grade students:

This is to inform you of the New Jersey Department of Health and Senior Services (DHSS) vaccine requirements for students attending sixth grade in September. The regulations state the following:

> Every child born on or after January 1, 1997 and entering grade six on or after September 1, 2010 shall have received one (1) dose of Tdap (Tetanus, diphtheria, acellular pertussis) given no earlier than the 10th birthday.

> Children entering or attending grade six on or after September 1, 2010 who received a Td booster dose less than five (5) years prior to entry or attendance shall not be required to receive a Tdap dose until five (5) years have elapsed from the last DTP/Dtap or Td dose.

> Every child born on or after January 1, 1997 and entering or attending grade six on or after September 1, 2010 shall have received one (1) dose of a meningococcal-containing vaccine, such as the medically-preferred meningococcal conjugate vaccine.

Please submit a physician's signed statement showing proof of immunization showing the month, day and year of immunization. **Students may be excluded from school if this requirement has not been met by August 28th.**

If you have any questions regarding these new requirements, please feel free to contact me at (908)689-1188 ext. 3607. Thank you for your cooperation in this matter.

Sincerely,

Brass Castle School Nurse
