# Microsoft Teams Students & Family Guide

Overview of what your students need to know about Microsoft TEAMS

# Getting Started with TEAMS

- Our students with be issued an iPad for this school year. The TEAMS app is already downloaded and ready to use.
- You can download the TEAMS app to any of your mobile devices
- You can also use TEAMS on a desktop. (This view is different than what you will see on an iPad or mobile device)

# Working with TEAMS on an iPad

This is the Icon for Microsoft Teams located on the home row of the students iPad

If you are not already signed into your account, you need to enter your student email that you were assigned.

### Notifications on TEAMS

"Teams" Would Like to Send You Notifications Notifications may include alerts, sounds, and icon badges. These can be configured in Settings.

. . .

Next

Allow

Don't Allow

The app will ask you to allow notifications. Click Allow

This will allow notifications to be sent and alert your iPad when something important is going on in one of your classes; class meeting, new assignment, or an important message.

The app will ask you to allow microphone access. Click OK

By allowing the microphone access you will be able to participate in TEAM chats and discussions

# Review Welcome Screens - and click Got It.

# Navigating through TEAMS

When you sign in you will be brought to your Activity page. Here is where you will see all the activity that is going on in TEAMS.

You will be able to see:

- Teachers adding you to a class
- Assignments created
- Assignments returned
- Chats
- Scheduled TEAM meetings

#### Chat Feature:

When you click on the Chat icon on the bottom it will list all the chats that are going on in all your classes.

Navigating through TEAMS

Teachers will be able to communicate to the class as a whole or individual students within the chat feature.
