

So let's send our SOUPER teachers a little warmth!

We are looking for families to help make soup for the staff at Port Colden and Brass Castle schools for a luncheon on

Tuesday, December 21st.

The soup should be in a crock pot (and don't forget to send in a ladle). Drop off on 12/21 between 9:30 and 10:30 and pick up your crock pot at the end of the day. We need 8-10 soups at each school plus bowls, napkins, spoons, bread and butter. Please sign up on Signup Genius to specify what you are providing.
