

Learn how to support your K-6 student(s)' social and emotional development at the **Social and Emotional Learning Workshop**

Exploring SEL Foundations, Social Awareness and Relationship Skills

March 29, 2022
5:30 – 8:00 p.m.

Brass Castle Elementary School
16 Castle St, Washington, NJ 07882

Preregistration required because childcare and dinner will be provided.

Learn the basics of Social and Emotional Learning (SEL)

Topics include defining SEL and discussing the five main aspects (competencies) of SEL.

Explore SEL Approaches to Social Awareness and Relationship Skills

These two of the five main aspects of SEL help unify people by fostering empathy and compassion and empowering people to strengthen their relationships.
