

Brass Castle School

August 29, 2022

A Message from Mrs. Garcia

Dear Brass Castle Families,

The Brass Castle Team and I are so excited to welcome our students on September 1, 2022! As you prepare for the first day of school, I wanted to review some important information:

Student Arrival

- Arrival Time - 8:30am - 8:45am (late bell rings at 8:50) Student arrivals after 8:45 am must be dropped off at the main entrance of the building. Please do not drop students off before 8:30am, as staff supervision is not available.
- Students report directly to homeroom upon arrival, so please ensure your student knows his/her homeroom teacher's name. Staff will be available throughout the building to assist.
- Student drop off (non-bus riders that are car riders or supervised walkers) - Families must drive through the Brass Castle Loop on the Midland Ave. side of the building (closest to the school playground area). Safety is always a priority. Therefore, students and parents should follow the car line and remain in their cars, until directed by a staff member to exit the car. Parents/guardians of students requiring assistance to exit the car, may assist at this time. We kindly request parents/guardians walking their student to school, not walk through the bus lane/sidewalk area during arrival or dismissal times for safety and security reasons. Your understanding is appreciated.

- Student walkers (no supervision required) may enter the building on the Midland Ave. side of the building.

Student Dismissal

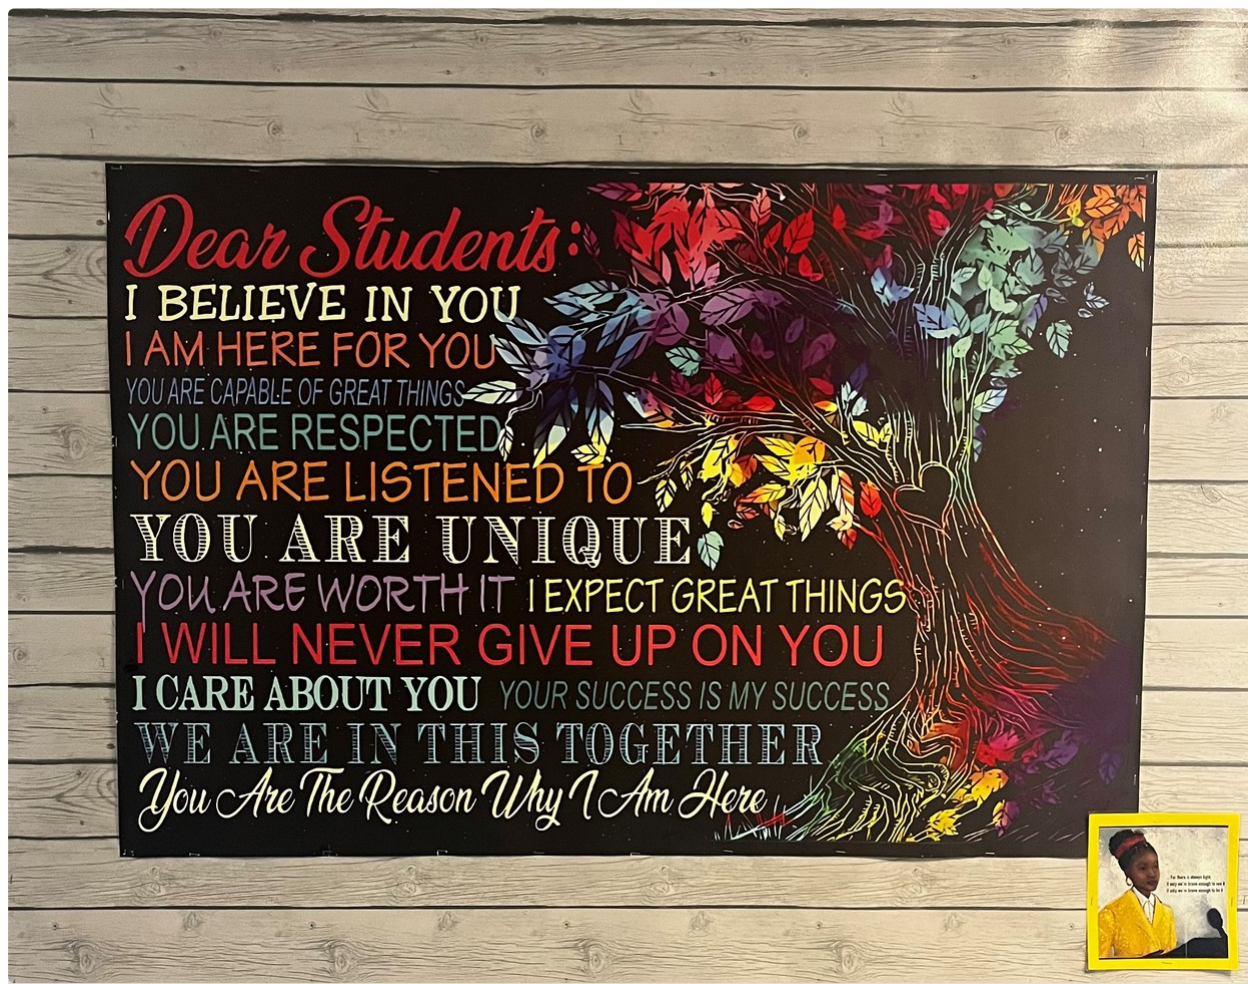

- Dismissal Time - 3:10pm - 3:20pm. *Note: Students enrolled in our preschool program begin dismissal at 11:10am.*
- Please ensure your student(s) and their teacher(s) know how they will get home each day, if it is different from their usual routine. ***A yellow form was sent with the school mailing this summer, which should be used to indicate a change in the student's dismissal transportation for the first day of school or thereafter. This includes students enrolled and attending the YMCA Childcare After School Program.***
- Student pickup (non-bus riders that are car riders or supervised walkers) - Families must drive through the Brass Castle Loop on the Midland Ave. side of the building (closest to the school playground area). Safety is always a priority. Therefore, parents should follow the car line and remain in their cars. Please do not call your student over to the car. A staff member will direct students, when it is safe, to a designated coned area. Parents/guardians of students requiring assistance to enter the car/buckle seatbelts, may assist at this time. *Note, a staff member will be providing pickup signs to display on your car window during student pickup.* We kindly request parents/guardians walking their student to school, not walk through the bus lane/sidewalk area during arrival or dismissal times for safety and security reasons. Your understanding is appreciated.
- Student walkers (no supervision required) will be dismissed at 3:20pm.

Student Meals

- Breakfast and lunch are available for purchase on each school day. Please visit <https://www.washtwpsd.org/cafeteria/> for more information, including menus, student lunch accounts, etc.

We ask for your patience during the first week of school, as we all adjust to the new school year routine. Buses may be running late, the car rider line may take a little extra time, and more. Safety is our #1 priority, and each day will get better!

Thank you in advance for your support. It's going to be a WONDERFUL school year!

Annual Registration Process

All returning students must complete the annual registration process in the OnCourseConnect Parent Portal - <https://www.onsourseconnect.com/login>. As a reminder, the portal will provide access to important contact information, student progress, and more.

i Information on SMS text messaging and Short Codes:

SMS stands for Short Message Service and is commonly referred to as a "text message". Most cell phones support this type of text messaging. Our notification provider, SchoolMessenger, uses a true SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as "short code" texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers. If you've ever sent a text vote for a TV show to a number like 46999, you have used short code texting.

*Terms and Conditions – Message frequency varies. Standard message and data rates may apply. Reply HELP for help. Text STOP to cancel. Mobile carriers are not liable for delayed or undelivered messages. See schoolmessenger.com/txt for more info.
