

# BC 5TH GRADE SAVE THE DATE

## 5TH GRADE FIELD TRIP

### ATTENTION 5TH GRADE PARENTS/GUARDIANS

We are in the process of coordinating a field trip to The Watershed Institute in Pennington, NJ, as an enrichment activity to the first Science unit - Watery Planet. Students will study the watershed and do stream sampling. This trip would take place rain or shine. Therefore, it is important students be prepared and wear appropriate clothing and footwear for the day.

This trip is scheduled for Wednesday, September 28th. Please note, we are waiting on transportation information to finalize the trip. Permission slips will be sent home once all details are finalized, to include cost, lunch, and more. For planning purposes, if you would prefer your student **not** attend this trip, we kindly request you contact his/her homeroom teacher by Friday, 9/9/2022.

Thank you!
