TEACHERS!!!

Here is what we need you to do:

1. Set up an [E-Wallet](#) (Click to set up now) for your classroom (so parents can donate money to your class library).
2. Distribute the [flyers](#) ASAP.
3. Get the word out about your [class schedule](#) and share your e-wallet information. I have attached some items you can use to promote the fair digitally or print.
4. Show the [book trailers](#) to your class to get them excited over the next few days during “homeroom” or indoor recess.
