2014 Season info:

Practice is every Sunday, starting 11/17/2013, from 4-7pm. Last practice is in the 2nd week of March 2014

Practices are also at 2093 State Highway 57 W, Broadway, NJ

*****New this year*****

A great new indoor rule will be enforced this year. Only 4 players and 1 GK on the field. That means more space, better play and more goals!! We can't wait to start!!!

Jersey Elite's Success:

In only the few years we are active as a club, we have won Indoor and Outdoor Tournaments, the 2012 National Indoor Championship and the gold medal this year at Disney's Showcase!

This year, we will compete again to go to Virginia for the National Indoor Tournament (NIT)!

What Can U Expect?

Our indoor program will be led by experienced national and international coaches.

Every practice will focus on different topics to teach you every technique used in today's game of indoor field hockey. From the basic techniques to the elite tricks like drag flicks, one touches and elimination skills.
