

Learn All About Cub Scouts!

What is Cub Scouting?

Cub Scouting is learning by discovery and discovery by doing. It's fun, friends, and families ... where skills are learned, confidence built, and stories born. A Cub Scout who knows the buddy system learns to trust and be trusted. A Cub Scout who hikes and camps learns to appreciate the outdoors and take care of it. A Cub Scout who's part of a Den and a Pack has a genuine sense of belonging. This is Scouting! Learn more and join Cub Scouts today at www.minsitrails.com.
