

NOW OPEN FOR REGISTRATION!

CAMP MUSKY

A CHILDREN'S ENVIRONMENTAL EXPERIENCE

SUMMER DAY CAMP 2015

10 MAPLE AVENUE, ASBURY

Camp Musky Open House!

Walk in any time between 6:30 - 8:00 pm at the MWA River Resource Center 10 Maple Avenue, Asbury, NJ 08802, to register or to pick up information on our Camp Musky programs.

We will be offering free "mini" Nature Walks all evening between those times.

The Musconetcong Watershed Association's (MWA) Camp Musky will bring your children on an exciting hands-on, outdoor learning adventure. Campers will explore the beautiful MWA River Resource Center property and the adjoining, preserved 30 acres of meadow, woods and wetlands. MWA believes that the most meaningful learning experiences for children come from immersion in the natural world.

Camp Sessions

Campers will need to pack a HEALTHY bagged lunch and a HEALTHY Snack.

Week 1 • July 6-10 • "Explorers" • Ages 5-6 yrs. • Half Day (9:00 am - 1:00 pm)

Join the Explorers for hikes, games, craft projects and more. Each morning begins with a journey to explore the river and its surroundings, learning about the river, and the animals that call the Musconetcong home. Explorers will use natural materials and our local landscape to build, design, and create items from our imagination.

Week 2 • July 13-17 • "Stream Team" • Ages 7-9 yrs. • Half Day (9:00 am - 1:00 pm)

The Stream Team will discover the connection between humans and nature. Understanding the plants and animals in our local ecosystem, and safe ways to interact with them opens up opportunities for our children to explore nature in a creative, uninhibited way. Adventures on the river, and our path of developing a deep, lasting connection with our watershed will be documented in their personal nature journal.

Week 3 • July 20-24 • "Trailblazers" • Ages 7-9 yrs. • Full Day (9:00 am - 4:00 pm)

Trailblazers will explore the connection between humans and nature. Understanding the plants and animals in our local ecosystem, and safe ways to interact with them opens up opportunities for your children to explore nature in a creative, uninhibited way. They will develop an appreciation for the basic components necessary for sustainability including use of water, shelter, and food. Trailblazers will also learn how each habitat explored provides these necessities for the creatures it supports.

Week 4 • July 27-31 • "River Rangers" • Ages 10-12+ yrs. • Full Day (9:00 am - 4:00 pm)

River Rangers, learn that for humans to live sustainably, we need to use the earth's resources at a rate at which they can be replenished. Each day, there will be an exploration of the Musconetcong River and an in-depth investigation of stream and field life in the Musconetcong Watershed. Rangers will develop an appreciation for basic components necessary for sustainability including use of water, shelter, and food. Rangers will learn how each habitat explored provides these necessities for the creatures it supports.

Tuition for Half Day Sessions (9:00 am to 1:00pm):

\$130/child

\$110 each additional child in the family

Tuition Full Day Sessions (9:00 am to 4:00 pm):
