## The PTA Cultural Arts Committee

The PTA Cultural Arts Committee presents Unibeat Drumcircles: Rhythms for Education. Professional musician and educator, Kenneth Straub, will visit our schools on Wednesday, January 29; 9:45am at Port Colden and 1:10 and 2:10 at Brass Castle.

During this interactive assembly, our students will create spontaneous music using percussion instruments, producing a unique and memorable experience for all!

For more information, please visit the artist's website: [unibeatdrumcircles.com](http://unibeatdrumcircles.com)
