Child's Play Touring Theatre

The PTA Cultural Arts Committee is proud to welcome back Child's Play, the professional theater group from Chicago.

On **Monday, March 23**, our students at Brass Castle and Port Colden schools will see adaptations of their creative writing performed by actors. Close to 100 stories written by our students in grades 1-6 were submitted to Child's Play, who chose 3 stories from each school to adapt and perform.

There will be two morning shows at **Brass Castle at 9:10 and 10:10**. The afternoon performance at **Port Colden will be at 1:30**.

Congratulations to all of our students for submitting their creative works, and to those whose writings were chosen to be performed!

This program was funded in part by the Warren County Cultural & Heritage Commission.
