

Dear Parents,

I would like to welcome you to the 2016 spring season of the Warren Hills Youth Baseball League. All children between 4 and 18 years old will be able to register for baseball. All registrations will go thru Warren Hills Youth Baseball.

You can register online at our website <http://www.whyba.net>. Deadline to register is April 1st. We will also be accepting registrations at the assessments. We encourage any players trying out for the Middle or High School baseball team to register as well for a few reasons. If your child is not selected to the team, there is still baseball to play. But if your child does make the school team, the season ends mid-May whereas we play through June. Also, with the number of players rostered in prior seasons, playing time can be a challenge on a 19-20 player team. We can also provide refunds (if requested prior to when uniforms are ordered) if you subsequently decide to only play on the school team. Please email me with any questions.

There will also be assessments held in March for placement in the minors and majors. If you would like your child to be evaluated for placement in a higher level of play than their age group, please attend one of the assessments (ex. An 8 year old wishing to play in the Minors division instead of Rookies). Requests to move up will not be honored without attendance at the assessments. If you wish to have your child play in a lower division than their age would otherwise assign, please contact the league's Player Agent for consideration. We still ask the child to attend assessments to ensure it is safe for the younger kids to play with an older child.

As we did last year, we will have a team in the Intermediate division. This division plays on a 50/70 field as opposed to a 46/60 and will encompass players from 11-13 yr. olds. Players can play in both the Majors and Intermediate divisions. Depending on the number of interested players, the Intermediate division team roster may be limited in size. As this is a competitive division, subsequent try-outs may be needed to make final roster selections.

If you have questions regarding the upcoming year, please email me at whybpresident@gmail.com.
