Dear Parents/Guardians and Students:

We at Warren Hills Regional Middle School are planning an orientation program for our incoming seventh grade students and their parents on Tuesday, April 1, 2014 (with a snow date of Wednesday, April 2, 2014).

The program will begin at 7:00 P.M. in the middle school gymnasium. The evening's activities will include an opportunity to get answers to specific questions, time to tour the building, and an introduction to many members of our staff and student body, as well as some of the initiatives of our "7th Grade Academy" transition program.

We encourage you to call should you have any questions about the program or any other concerns regarding your child's successful transition to our middle school. Also, please contact us as soon as possible should you require any special accommodations that evening.

Thank you! Looking forward to meeting with you then!

Sincerely,

Patricia Hetrick
Principal

The Warren Hills Regional School District challenges and empowers a dynamic, diverse student body in a supportive learning environment by providing academic and co-curricular opportunities to become successful, productive members of the global community.
