Other Information:

Description: We will play in the Atlantic Coast Spring Football League. Teams will play 6 games plus play-offs. The season will run from March through May 21. Games begin in April and are played at one location weekly on Saturday.

Practices: 530-730 on Tuesday and Thursday/adjustments possible w/ bad weather. Preparation is important. Practice location TBD at this time.

Fundamentals will be stressed, and unabated hitting will not be the norm. Some developmental, contained, directed drills will involve contact. The goal will be to learn, execute the HS programs playbook, and provide the opportunity to play more FOOTBALL.
