

2415.04 TITLE I – DISTRICT-WIDE PARENTAL INVOLVEMENT

GENERAL EXPECTATIONS

The school district will put into operation programs, activities, and procedures for the involvement of parents in all of its schools with Title I, Part A programs, consistent with Section 1118 of the Elementary and Secondary Education Act (ESEA). Those programs, activities, and procedures will be planned and operated with meaningful consultation with parents of participating children.

Consistent with Section 1118, the school district will work with its schools to ensure that the required school-level parental involvement policies meet the requirements of Section 1118(b) of the ESEA, and each include, as a component, a school-parent compact consistent with Section 1118(d) of the ESEA.

The school district will incorporate this District-Wide Parental Involvement Policy into its school district's plan developed under Section 1112 of the ESEA.

In carrying out the Title I, Part A parental involvement requirements, to the extent practicable, the school district and its schools will provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children, including providing information and school reports required under Section 1111 of the ESEA in an understandable and uniform format, including alternative formats upon request, and to the extent practicable, in a language parents understand.

If the school district's plan for Title I, Part A, developed under Section 1112 of the ESEA, is not satisfactory to the parents of participating children, the school district will submit any parent comments with the plan when the school district submits the plan to the New Jersey Department of Education.

In the event the school district is required to reserve and spend at least one percent of the district's Title I, Part A allocation, the school district will involve the parents of children served in Title I, Part A schools in decisions about how these funds will be spent and will ensure that not less than ninety-five percent of the one percent reserved goes directly to the schools.

The school district will be governed by the following statutory definition of parental involvement, and expects Title I schools in the district will carry out programs, activities, and procedures in accordance with this definition:

Parental involvement means the participation of parents in regular, two-way, and meaningful communication involving pupil academic learning and other school activities, including ensuring-

1. That parents play an integral role in assisting their child's learning;
2. That parents are encouraged to be actively involved in their child's education at school;
3. That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child; and
4. The carrying out of other activities, such as those described in Section 1118 of the ESEA.

In the event the State of New Jersey or the New Jersey Department of Education has a Parental Information and Resource Center, the school district will inform parents and parental organizations of its purpose and existence.
