

Washington Township School District
General Education Inclusive Preschool Program Application

The Washington Township Inclusion Program is a preschool program, for children age 4, who reside in Washington Township. The program is designed to provide our children with special needs the opportunity to be educated in the least restrictive environment with their typically developing peers. **This application and information is for children who are not classified and do not have special needs.** If you feel your child has special needs, please contact the Washington Township School District Child Study Team at 908-689-1188 ext. 3610 to speak with a case manager.

Children who will be age 4 by October 1, 2017 are eligible to attend the program. Children that are eligible for kindergarten may not participate in this program.

If you are interested in having your child participate in the General Education Inclusive Preschool Program, complete the following application. Please note that there are a limited number of spaces available for this program.

If your child is selected to participate in the program, you will be required to complete an official registration packet and all state mandated immunization requirements.

Applications must be submitted by Friday, May 19, 2017
