Dear Washington Township Families,

My name is Toni Smith and I am the Box Tops for Education Coordinator this year for Brass Castle and Port Colden. Box Tops for Education is a school earning program that helps schools earn cash to buy the things they need.

Each box top is worth \$.10 and are found on hundreds of products. When students, families, and schools work together to collect Box Tops, the money adds up fast! Last year, our schools earned a combined total of \$1,987.60 which was used towards various PTA Sponsored events.

With all of your help we can earn even more money this year. We are shooting for a goal of \$1,000.00 for Brass Castle, and \$1,000.00 for Port Colden. Let's see if we can break \$2,000.00 this year!!!

Start filling up Ziploc bags labeled with your child's homeroom teacher's name! Please have all of your box tops in by the deadline of Friday, February 10, 2017. You may send them in any time prior to this date as well. If you miss the deadline, no need to worry, just save them (and continue to collect) for the fall 2017 collection!

I want to thank you in advance for all your help with this. It really is a simple way to earn money for our schools from products we already purchase. Feel free to contact me with any questions you may have.

Toni Smith
