Hello Parents and Families!

The PTA Reflections Program is once again being offered for the 2016-17 school year! What a wonderful way for your child(ren) to show off their artistic talents by creating works of art for fun and recognition! The 2016-17 Reflections Program Theme is *What's Your Story?*. Students are encouraged to reflect on the theme and create an original work in one or more of the following categories: dance choreography, film production, literature, music composition, photography, and visual arts.

Please refer to the attached flier for further information regarding deadlines and contact information. We look forward to receiving your child(ren)'s work of art!!

Sincerely,

PTA Reflections Committee
