Season
OF Giving

Holiday Gift Drive 2017

This year, the Washington Township Education Association, with the help of the Helping Hands Club at Brass Castle School, will be taking part in a gift drive to benefit Warren County children and families this holiday season, through The Local Community Advisory Board. Helping Hands Club members will be creating flyers to display at both schools and decorating collection boxes.

Suggested items are: gift cards for food or clothing (Walmart, Target, Shoprite, Kohl's, etc.), board games, Lego sets, art supplies, craft sets, action figures, and dolls.

Please send in all new and unopened items by Monday, December 11th.

This program is separate from the PTA's Be an Angel Program.
