Dear Brass Castle Parents/Guardians,

This afternoon a Shelter-In-Place was activated at Brass Castle School for approximately 30 minutes. The Shelter-In-Place was called due to a student health/safety issue. The Washington Township Police Department responded to the school, ensured the school was safe, and left the building at the conclusion of the Shelter-In-Place.

During a Shelter-In-Place, students continue with classroom lessons, but are restricted from moving throughout the building. We would like to thank the Washington Township Police Department for their quick response, in ensuring our students were safe.

If you have any questions/concerns, please contact me.

Sincerely,

Mr. Keith T. Neuhs
Superintendent
