

Help Earn Bonus Box Tops

Did you know you can earn **BONUS** box tops for our schools? There are two simple ways to do this, in addition to cutting off participating items!

The easiest of the two is by going to <http://shopriteformyschool.com>. Have your ShopRite Price Plus card in hand, as this is the first thing the site asks for. Then simply complete their registration prompts. The password they have you create, will be used below for the box top app and website as well. For every 6 box top items you buy at ShopRite, you earn our schools \$2.50.

Another way to earn more, is to download the “Box Tops” App on your smartphone. Each month they have new offers that give our school a few extra box tops on items that you purchased. All you have to do is download the app and follow the sign up prompts, if you did the above sign up, then you should just be able to login vs registering again. If you’re signing up for the first time, use our zip code to search for schools, then select Brass Castle, even if your child is at Port Colden. After you go shopping, go into the app and select the offers you fulfilled, then there is a scan receipt button. Click that and it will access your camera to take pictures of the whole receipt for verification. Below are screenshots using the app to help. You can reuse these offers several times throughout the month!

If you have any questions, feel free to email me and I will do my best to help! Thank you for helping to bring in more BONUS Box Tops for items you’re already buying!

With Much Appreciation,

Allison Wynn
