Re: School Security Incident

Dear Parents and Guardians,

I would like to inform you of a situation that occurred at Brass Castle School, today. This morning a student brought a bullet to school, to show his peers during a share and tell time in class. At no time did the student make a threat or intend to threaten anyone in the school. The School Resource Officer and building principal secured the student and all possessions. The Washington Township Police Department was notified and further investigated the situation.

As always, student security and safety are high priorities in our district. School procedures were followed and consequences for the situation were enforced, accordingly. Please contact me or the building principal, at any time, with questions or concerns.

Sincerely,

Keith T. Neuhs
Superintendent

Cc: Jessica L. Garcia, Brass Castle Principal
