NETSMARTZ: Internet Safety for Children

NetSmartz Workshop is an interactive, educational program of the [National Center for Missing & Exploited Children®](#) (NCMEC) that provides age-appropriate resources to help teach children how to be safer on- and offline.

NetSmartz Goals:

- Educate children on how to recognize potential Internet risks
- Engage children and adults in a two-way conversation about on- and offline risks
- Empower children to help prevent themselves from being exploited and to report victimization to a trusted adult
