Dear Washington Township School Community,

Earlier this week, the District sent out draft information regarding the School Reopening Plan. Please remember that the School Reopening Plan is fluid and will be revised based on updated guidance from the Departments of Education & Health, as well as community and staff input.

Additional information regarding programs and protocols will continue to be sent to the school community, as available. Also, to address school community member questions and concerns, the district will host a Zoom meeting on Tuesday, July 21<sup>st</sup> from 4:00pm – 5:00pm. During the meeting, administration will review school reopening plans (draft) and answer community questions.
