January 19, 2021

Dear Parent or Guardian:

We are excited for your child to begin the next chapter of the educational journey with us and become part of the Warren Hills Regional School District. Unbelievably, it is time to begin this process by completing important paperwork that will help expedite the process of registering your child and will allow us to begin to build their 7th grade schedule. As part of the registration process for incoming seventh graders, we are asking that you first complete the Student Information Form found here:

[Student Information Form](#)

Your son/daughter's schedule will consist of a forty-three minute lunch, core curriculum courses, and elective courses. The required core curriculum courses are listed below and will automatically be added to their schedule. Additionally, students are asked to request elective and world language courses that may interest them for next year. A complete list of courses and their descriptions can be found in our *2020-2021 Warren Hills Regional School District Program of Studies*, which is located [here](#). While there is never a guarantee that they will receive their first choices, it is an important first step in helping us to build their schedules. Students who do not have their elective and world language courses picked will have them chosen for them. The course selection form can be completed here:

[7th Grade Course Selections](#)

Additionally, students identified by multiple measures as being in need of skills reinforcement in mathematics will be required to take Math Lab in place of other electives.

Seventh Grade Core Curriculum (approximately 43 minutes each)

English Language Arts

Science 7

Geography and Culture

Health & Physical Education

Mathematics 7 or Accelerated Mathematics

We kindly ask that both of these forms be completed **no later than February 1, 2021**. Thank you in advance for your attention to these matters, and should you have any questions about our requests, please contact the Middle School Guidance Office at 689-0750 extension 2048.

Sincerely,

Nicholas Remondelli
Principal, Warren Hills Regional Middle School
