

March 17, 2021

Dear Parents/Guardians,

Important Reminders:

- If anyone in the household is awaiting COVID-19 test results, students cannot be sent to school. Students cannot attend school until the household member has received a confirmed negative test result.
- If anyone in the household has tested positive for COVID-19 the student cannot attend school. Please contact your child's school nurse to discuss a return to school date.
- If your student exhibits any COVID-19 symptoms (cough, shortness of breath, chills, muscle aches, headache, loss of taste/smell, sore throat, vomiting, diarrhea, fatigue, congestion or runny nose, fever, etc.) do not send them to school. Please contact your child's school nurse to discuss your child's symptoms and a possible return to school date.
- Siblings of students exhibiting COVID-19 symptoms will be required to quarantine.

As we approach our Spring Recess (April 2nd – April 9th), families are asked to follow New Jersey travel advisories. Currently, New Jersey strongly discourages all non-essential interstate travel. At this time, individuals who have been vaccinated against COVID-19 should continue to follow the State's travel advisory. For students that travel outside the immediate region (New York, Connecticut, Pennsylvania, and Delaware) they should quarantine for 14 days after returning to New Jersey (10 days with a negative COVID-19 test).

Parents and guardians should contact their child's school nurse with any health concerns and / or questions regarding quarantine requirements.

Brass Castle School Nurse
Dana Roberts
droberts@washtwpsd.org
908-689-1188 x 3607

Port Colden School Nurse
Noreen McGeary
nmcgeary@washtwpsd.org
908-689-0681 x 2507

Your continued support and cooperation will help to maintain a safe full-time in-person learning experience for our community.

Sincerely,
Keith Neuhs
Superintendent
