Dear Parents,

On Thursday November 11, 2021, we will begin offering pizzeria pizza from Dominick's in Clinton for lunch . Please check the menu to see what days this will be offered during the month. One slice is included with your students' lunch. If your student would like an additional slice, the cost is \$2.25, and he/she will need to inform the homeroom teacher in the morning to submit the main lunch and extra slice order. Please put money on your child's account or send cash (exact change please). Money on the lunch account is preferred, as it helps to keep the line moving faster. **Charging of an extra slice is not permitted.**

Respectfully Submitted,

Holly Reamer

Area Supervisor
