

Washington Township School District

VonThun Farms in Washington, NJ is sponsoring a reading achievement program, in which students will be able to earn a free ticket to the farm!

Here's how...

During the month of March, students will have an opportunity to log their reading time (reading goal varies by grade-level) to receive a 2022 Reading Achievement Award certificate. Students will present this certificate for one free admission to VonThun Farms during the 2022 Strawberry Festival, Sunflower Trail, or Fall Festival weekends.

Logs will be provided to students on February 28th, to log in their reading between March 1st through March 31st.

Final reading logs are due Friday, April 1st!

Wednesday, March 2nd is Read Across America Day,
so we invite all students to wear their favorite
Dr. Seuss gear (silly socks, mismatched clothing, etc.).

Don't forget, school guidelines must be followed.
