

Summer Learning Camps at The DragonTree

269 Route 31 S, Suite 4, Washington, NJ 07882

Programs for all ages & abilities

We make learning *fun!*

Reading & Math Camp (developing 1st – 5th)

Mon – Thurs

- ✓ Entering 1st or 2nd grade

Your child will learn phonemic awareness, short/long vowels, phonics, fluency, spelling, number sense, addition/subtraction, and do a fun STEM project at the end of each week (slime, airplanes, story tellers). 8:30 – 9:30 am

- ✓ Entering 3rd grade

Your child will learn higher level phonics, syllable types, fluency, spelling, number facts, problem solving and do a fun STEM project at the end of each week (slime, scavenger hunt, science experiments) 9:45 – 11:15 am

- ✓ Entering 4th or 5th grade

Your child will learn syllable types, fluency, spelling, comprehension, number facts, problem solving, logic and reasoning, and do a fun STEM project each week (origami, design a board game)

Tues & Thurs

1:00 – 2:30 pm

Let's Get Reading and Writing (developing 3rd – 6th)

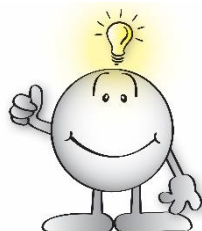

Mon – Thurs

See our website for complete descriptions, pricing and to register:

\$25 registration fee to reserve your spot

DragonTreeReading.com

or call (908) 674-3239 for more information

Your child will have a blast making new friends while working on reading fluency, comprehension, vocabulary and writing through project-based learning and projects such as writing skits, creating scavenger hunts, designing an escape room, and more!

Entering 3rd or 4th grade
8:30 – 10:00 am

Entering 5th or 6th grade
10:15 – 11:45 am

Book Lovers Book Club (for avid readers)

Grab a friend, your lunch, and your summer reading assignment (or we can pick a book together). We will meet twice a week to have fun talking about books and stories we love.

Mon/Wed or Tues/Thurs

11:30 - 12:30 pm

Groups will be formed based on enrollment (and the age of the participants)

The Writing Zone Workshop Fridays

Learn how to make your writing more interesting and how to draw the reader in. We will create short, fun writing pieces while learning about what good writing looks like: how to brainstorm ideas, organize your information, using hooks, writing dialogue, adding visual details, and conclusions that leave the reader wanting more.

3rd - 5th grade **6th - 8th grade**
10:00 – 11:00 am 11:15 – 12:15 pm

PACE Cognitive Training

How do you become smarter and think faster?

You have to **TRAIN** your **BRAIN**!

This intensive, research-based, 10-week brain training program is for anyone ages 8 and up who may struggle with:

- Processing Speed
- Memory
- Attention
- Visual and Auditory Skills
- Problem Solving & Reasoning
- Executive Functioning

One-on-one brain training consists of **non-academic exercises** (games) with immediate feedback to build automaticity.

Strategy Game Nights

Thursdays (6/30 – 8/25)
Ages 10 – 12 and 13 – 15

Preschool/Toddler Events

See calendar

Reading Screenings

Is your child ready to go back to school?

Get Ready for Kindergarten!

We will work on letters/sounds, number sense, listening comprehension and following directions through books, songs, games, and hands-on practice.

Fridays, 8:30 - 9:15 am

Class run the following days:
7/8, 7/15, 7/22, 7/29
8/5, 8/12, 8/19, 8/26

Social Skills Groups

Thursdays

Led by a certified speech pathologist, your child will work on improving social skills while having fun and making friends (i.e. sharing, listening, following directions, cooperating, eye contact, manners, and personal space).

1:00 - 1:40 (ages 4 - 7)

1:50 - 2:30 (ages 7 - 10, entering 2nd grade)
