

Washington Basket Drive

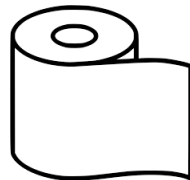

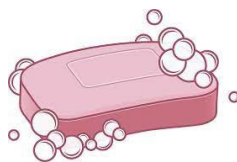

Hello! From **February 15th** (Wednesday) to **March 1st** (Wednesday) 6th grade student council members will be organizing a hygiene product and animal food drive for the local **Washington Basket** pantry. On the back page, you will see a list of **specific** items that the pantry is looking for at this time.

For this drive, please bring donations to the library **BEFORE 9:15 am each day**. Once in the library, you will see three large bins with the faces of Mr. Scism, Mr. Neuhs, and Mrs. Schulte. At the end of the drive, whoever has the most donations in their bin will get pied in the face at a school assembly. Therefore, you must donate wisely!

If you have any questions, please contact Mr. Dimitriou by email at

cdimitriou@washtwpsd.org
