The district calendar includes five (5) inclement weather days. If necessary, the Board of Education reserves the right to alter the calendar to meet New Jersey attendance standards and employment contracts. In the event five (5) inclement weather days are not utilized, days will be removed from the end of the school year. If the district utilizes more than five (5) emergency closings, additional days may be added to the end of the school year and/or the spring recess may be reduced/eliminated.
