Re: McKinney-Vento School Community Survey

Dear WTSD Families,

The New Jersey Department of Education has requested a comprehensive needs assessment for school districts, to improve the service system for children and families experiencing homelessness or housing instability in counties throughout New Jersey. This process requires surveying families, regardless of housing status, to determine the effectiveness of programming. In partnership with Monarch Housing Associates, New Jersey counties in Region 1 are collecting this important information.

The survey will take no more than 10 minutes to complete and impact the data used to determine needs of our county/district. Please note, all responses are confidential and will be used exclusively to identify gaps in service and enhance communication, connections, and supports.

Please click on the link below to access the survey. The survey will remain open until March 30, 2023.
