CHALLENGE, EMPOWER, SUPPORT... TO PREPARE STUDENTS FOR LIFE BEYOND WARREN HILLS

September 7, 2024

Dear Parents/Guardians,

To enhance the safety, supervision, and overall viewing experience for our students, staff, and spectators, effective Friday, September 13th, a parent or guardian must accompany and remain with their student(s) if they are not enrolled at Warren Hills Regional High School. All parents and non-high school-aged students will enter the game at the tennis court gate. Tickets for student and parents can be purchased by visiting the WHRHS Athletics page. No one will be able to enter without a ticket. Your support and presence at our games are valued and will contribute to the overall success and enjoyment of all attendees.

If you have any questions or concerns regarding our entrance procedures, please do not hesitate to contact Warren Hills Regional High School administration at (908) 689-3050. I recognize that this change may require some adjustments to your schedule, but we appreciate your understanding and cooperation in this matter.

Go Streaks!

Best,

Christopher J. Kavcak
Principal
Warren Hills Regional High School
