

BE AN ANGEL

Each year the Washington Township PTA collects toy and clothing donations for families in our district who need a little extra help during the holiday season. Please consider adopting a child or two through our "Be An Angel" program and help us ensure all children in our district have a happy and healthy holiday season. This year, we have made the process even easier! You can visit our Sign Up Genius via the below link to view a list of items needed and further instructions. The process will remain confidential.
