Dear Washington Township School Community,

I am writing to share an important update regarding leadership at Brass Castle School. Mrs. Susan Wardell, our Director of Preschool and Principal of Brass Castle School, has accepted the position of Chief School Administrator of the Frelinghuysen Township School District. Her letter to our school community has been sent out to the school community.

On behalf of the district, I want to thank Mrs. Wardell for her service to our students, families, and staff. She has led Brass Castle with professionalism, and she has been a valued member of our administrative team. This appointment is a well-deserved recognition of her leadership, and we congratulate her on this next step in her career.

Please know that Mrs. Wardell will remain with us at Brass Castle School as we develop a transition plan. Our priority throughout this process is continuity for our students and staff, and daily routines, instruction, and programs will continue as usual.

I will share additional information with the community as it becomes available. In the meantime, if you have any questions, please feel free to contact the District Office at 908.689.1119.

Please join me in thanking Mrs. Wardell for her contributions to Washington Township and in wishing her every success in her new role.

Sincerely,

Keith T. Neuhs
